

Crime Figures For August 01/08/2022-31/08/2022

02/08/2022- Highway Disruption

Caller is reporting that the building site fencing that runs from Neasham Road to the Railway Cottages, has been knocked down. This has resulted in an obstruction on the road as 30 to 40 metal fences have fallen. No officers available to attend, however overnight staff for the building site are due to arrive on duty and will rectify the fencing.

04/08/2022- RTC

Caller reporting that their partner had been involved in a 'hit and run' type incident this afternoon in the Hurworth Place area. Vehicle details were obtained and checked by the call handler. Caller provided a diary appointment to discuss the matter further.

06/08/2022- Theft & Handling

Caller reporting that approx. 10 minutes prior to the call they have witnessed two males riding a scooter/ moped (with no VRM), up the footpath towards Baxby Terrace. Caller thought the vehicle may be stolen and so wanted to contact police. Checks completed which showed the moped was stolen and the owner was aware. Crime submitted, investigation is ongoing.

07/08/2022- Concern/ Collapse/ Injury/ Illness

Caller reporting that they have been in Geneva Woods/ close to the Railway Cottages on Hurworth Moor, when they have heard teenage voices shouting and screaming. Caller was unsure if someone needed help and so wanted to log it with the Police. Officers attended; area search no trace for the teenagers.

07/08/2022- Vehicle Attempt Theft

Caller reporting that two males have attempted to remove the caller's motorbikes from Sanderson Road. No damage has been caused to the bikes however confirmed as vehicle interference. A crime has been logged and is under investigation.

08/08/2022- Highway Disruption

Caller is reporting a broken-down vehicle on Bland's Corner, they have had to swerve to avoid the vehicle as it is partly in the road. Officers attended to control traffic until the vehicle was safely recovered.

08/08/2022- Concern/ Collapse/ Injury/ Illness

Caller is reporting that there is a male carrying a metal pole heading towards the Evans Halshaw garage on Croft Road. Male appears to be intoxicated. Officers attended and located the male; metal pole was in fact a bicycle pump. Due to the male being confused, he was returned home.

09/08/2022- Animals/ Wildlife

Caller reporting that there are lampers/ poachers on the land to the rear of Neasham Springs Farm, near to Burma Road. Caller states there are no vehicles and has not heard any guns but can see what appears to be 3x lights. Officers unable to attend due to other incidents. Rural PCSO and beat PCSO are aware and dealing.

09/08/2022- ASB Environmental

Caller is reporting that there are two off-road motorbikes being ridden along Bridge Road and they are heading in the direction of Croft Village. The NPT staff on duty are tied up with an operation and so were unable to attend. No further reports received.

10/08/2022- Suspicious

Caller reporting that a male has just tried their front door on Baxby Terrace, he has then run off in the direction of Linden Drive. Officers attended and located two males delivering papers. They showed officers the addresses they deliver to and had attended the wrong address, all in order.

11/08/2022- Theft & Handling

Caller is reporting that they have had 8 containers worth of waste oil stolen earlier in the month from Eagle House. The incident has been crimed and is under investigation.

11/08/2022- Theft & Handling

Caller reporting that their phone has been stolen from a public area within the caravan park along Hurworth Road. Due to public area, there is no scope for CSI and there is no CCTV available. Incident has been crimed and closed.

11/08/2022- Suspicious/ Insecure

Caller is reporting that their neighbour has seen a large hole that has been created by youths, within Geneva Woods. They believe it could be getting used as a dog fighting area. Officers have attended and located the area in question, which appears to be a collection of children's dens. If further reports are received in regards to them being used anti-socially, officers will re-attend and dismantle the dens.

12/08/2022- RTC

Damage only RTC involving 2x vehicles along Croft Road. Caller has stated Police attendance is not required as recovery is being arranged for the vehicle over-lapping the road and the second vehicle has already been moved. Multiple reports were received in relation to this incident.

14/08/2022- Vehicle Criminal Damage

Caller is reporting that overnight their vehicle has been painted/ damaged, whilst parked on Emerson Road. The incident has been crimed and is under investigation.

16/08/2022- Suspicious

Caller is reporting that they have received a speeding fine from Devon and Cornwall Police, however they have not been in this area and the vehicle was incorrect. PNC forms have been completed and SVS have been notified.

18/08/2022- Suspicious/ Insecure

Caller reporting previous suspicious activity within Geneva Woods. Information has been passed to the NPT and caller has been advised by the call handler to report incidents as they occur.

19/08/2022- ASB Nuisance

Caller is reporting that there is a group of 10 young males in Geneva Woods and they are throwing eggs at the vehicles when on the approach to the 'Skinny Bridge' /entering Skerne Park. Officers attended; area search no trace for the youths.

23/08/2022- Suspicious

Caller reporting that a vehicle has been left on Croft Road for several days. They are unsure if it has been abandoned and have also contacted the council. Details have been passed to the call handler and the relevant checks have been completed. Vehicle belongs to a local resident and is not causing an obstruction therefore it is not in the Police interest.

23/08/2022- Theft & Handling

Caller reporting that they have withdrawn money from their account and have had this on their person for a prolonged period, when attempting to retrieve this money it is no longer there. Caller has searched all over for it and believes someone has removed it from their bag. A crime has been created; however, all lines of enquiry have been completed and the investigation has now been closed. Hurworth Moor area.

23/08/2022- Road Related Offence

Caller is travelling on the A66 from Blackwell towards the A1 and there is a mattress in the middle of the road, it is in a live lane and is causing an obstruction. Officers have attended the area and the mattress is no longer in the carriageway.

23/08/2022- Vehicle Criminal Damage

Caller has been travelling home from Rockcliffe Hall and a road rage incident has occurred after an unknown male has run a red light on the temporary traffic lights. The caller has been in shock that they had done this, the unknown male has then left his vehicle and kicked the caller's car wing mirror off. The incident has been crimed and is under investigation.

27/08/2022- Criminal Damage

Caller is reporting they have just had their front windows put out on Emerson Road. Caller is aware of who the suspects may be. The incident has been crimed and is under investigation.

27/08/2022- ASB Nuisance

Caller is reporting that there is a group of youths in the fields surrounding Neasham Hill Farm. Caller is not sure if this is linked to poaching. Officers attended; area search no trace for the youths.
